Suzy,

Thank you for passing this on to the appropriate people.

Ken

Dear Madam Secretary:

I was in Krakow, along with our chairman, Madeleine Albright, for the 10<sup>th</sup> anniversary celebration of the Community of Democracies. I just wanted to express our appreciation for your inspirational speech in defense of civil society. Your remarks were warmly received by the group assembled in Poland and sent an important signal to both friends and adversaries worldwide about America's commitment to fundamental human and political rights. From NDI's perspective, your words were also a message of solidarity to democratic activists who, in their peaceful struggle, can often feel isolated and neglected.

Thank you for your continuing interest and concern.

Sincerely,

Ken
